PERSONAL DETAILS

Date of Birth: 3rd May 1977

Driving Licence: Full/Clean

PROFILE

I am a graduate with three years training experience at Axis Films, a facilities company based at Shepperton Studios. I gained numerous experiences as an assistant and as a loader with formats ranging from 16mm, 35mm, Hi-Def, Digibeta and DV Cams. I have had intensive training on Hi-Definition cameras such as Sony 750 and the Panasonic Varicam. I have also been able to travel around Britain and Europe as a camera assistant/clapper loader but also had the opportunity to previously spend a year traveling to many parts of the world such as Asia, Australasia, North and South America.
