I am a Freelance Location Sound Recordist who is calm confident and easygoing.

With my wide range of recording experience, ranging from Cannon 5D and 7D shoots right up to 35mm Film, I will offer you a Sound Recording Service that will cope with any Special circumstances your shoot may require.

If your needs are Hard disc Timecode encrypted sound recordings, which will allow you the luxury of freely roaming Cameras and eliminating the restrictions of cables or you simply require sound only recordings for Podcast's, I can help.

Please don't hesitate to contact me, I would be more than happy to answer any questions you may have.
